They divorced a few years later. Reportedly Claude was married previously and had other children. Since "Smith" is such an uncommon name, I cannot imagine why I have hit so many brick walls in trying to trace him or his lineage. Does ANYONE know of this man in their Terre Haute family searching? My sister and two brothers (one is my twin) are the great, great, great, grandchildren of Harrison Denny, who settled in Otter Creek township shortly after serving in the War of 1812. The "old Denny home" which was located just West of Roselawn Cemetery, was demolished last year. The "old family cemetery" is located at about 2000 Hassleburger Rd. At one time our family farmed close to 800 acres. I have some documented family history via a book that my father (Robert Harrison Denny) left (History of Vigo county circa 1890)I'm interested if any other family history exists; if so, I'd be grateful if someboby would share any info with me.

**Thanks;
Rod Denny**

I don't know what URL means, either. I found some information on database #2214100 that might be pertinent. I think my grandfather and his line need to be added to this, but I'm not sure. If anyone has any information regarding this, I would very much appreciate it. Please email me with info; please designate "Reeves Family History" in subject line, so I won't think it is junk mail. If anyone can go back in history to this line, I would be much appreciative of that, also.

It took me several hours to get to this page/site in my search for my family history as I was clueless where to start. But it looks like it was worth the wait; thanks!!

My dad was born and raised at Coal Bluff. His parents were William Tapscott ROWE & Eathel BIGGS. He had gone to Purdue for I think 1 1/2 years to become a pharmacist. However, he dropped out to marry a woman last name VanHook. Later he married my mother June English. I'm trying to locate the any schools he may have attended. I've not had any luck in finding him anywhere. Also, his grandfather's name was Thomas C. Rowe he was a doctor/pharmacist his-self. Doc Rowe came to Vigo Co, Coal Bluff with his family ca. 1887 from Cornwall England. Any information on any of the Rowes or Biggs in that area please contact me. I will gladly share my BIGGS information. Thank you in advance, and God speed.

Comments:

According to family lore, the McNeil/McNeil family, along with several other families crossed the Cumberland Gap from the Carolinas to ultimately settle in the Indian Territory (Indiana) during the late 1700's. The family lived in Fontanet Twp for many years. They were coal miners, I believe. Henry and Nancy's family consisted of Ernest, Edith, Forest, Kenneth, and Dorothy. For many years they held a reunion during the Fontanet Bean Dinner weekend so that they could meet with old friends. Forest was the only one to remain in Vigo County. He taught at Fontanet and later was the principal there. He passed in 1993. I am interested in information about his family prior to his parents.

My g great grandfather was Thomas T. King, he married Docia McDaniel in 1846 in Vigo Co. I have most all info. of this union, but cannot varify any info. on their parents or sibblings. Think Soloman King was a brother,his wife ,Patience & he had one child, Emaline. Soloman & Patience are buried inWatson cem. Vigo co. They were from Prairie Creek Twp. I think Henry may have been Thomas' father, he came to Prairie creek Twp. according to the history in 1816-1820 time span. A sister of Thomas may have married into the Piety family. Thomas

moved to Vermillion, Co. In. prior to 1870, in fact died there late 1870. Does anyone have any Info. that would be of help to me?? I'm willing to exchange info.

Tring to locate the correct spelling of the "Lachney" name, when Susan & John Martin Lachney, came over from Austria-Hungary in the late 1800's. They had 11 children, I'll include their married names: (1) Katie Letzler, (2) Annie Burgett & Brockway, (3) Emma Lachney, (4) Nellie

Hiatt, (5) Mary Roberts, (6) John Lachney, (7) Lizzie Parker, (8) Joseph Lachney, (9) Frances Mazzallini, (10) Helen Anderson, (11) Martin Lachney.

My Grandmother, Maybelle Pollard Lachney, died after giving birth to my dad, John. Her father was John Wiley Pollard (Parke County)& we think her mother was Mary Rose..not sure of her last name. She had one sister, Evelyn Dyson.

I would appreciate any information I could get on my family. You can email me at the above address.

I am looking for information on David & Elizabeth Anderson and family who moved to Nevins TWP, IN between 1838-9 from North Carolina. David was born about 1807 and can be found in the 1840 Census, Nevins TWP as a 'free colored' farmer, age 24-35 yrs. His household consisted of 3 male children age 9 yrs and under; 3 female children age 9 yrs and under and his wife, Elizabeth (Betsy), age 24-35 yrs. He and his family are also found in the 1860 Nevins TWP Census (p 257) and the 1860 Nevins TWP Census. I could not find David in the 1870 Census but I did find his wife, Elizabeth, age 63 on p 10 of the census living in the same place (I think). I am trying to find out when they died and what happened to their property. One of the male children listed in the 1840 & 1850 Census was my great-great grandfather, Jordan Anderson who was born in Buncombe NC 05/24/1832. Jordan is found in the 1860 Census in his own household (p 170) and served in the Civil War in the Indiana USCT 28th Inf. He married Angeline Scott, the daughter of Livius C. Scott and Martha Chavis who resided in Vigo County, IN in Vigo County IN on 12/03/1857.

This site has been very helpful. We are focusing on Ralph R. and William Conover. These brothers were born in New Jersey. They worked in Terre Haute , as early as 1840 for Ralph R.,as brick and stone masons as did many of the descendants and the men in the allied families. A wish for the site is more church records, membership lists, baptism records, etc., for the early Baptist and Methodist congregations.

What surnames are you looking for? Myers

Comments:

I was searching your 1850 census for my gr gr grandfather's family Michael Myers and found him listed under Michel Mires with several of his children including another Michael Myers (age 7) which was my gr grandfather. He had a wife listed as Margret, this is the first time I found a wife's name. One step closer to finding out about his family. Him and his wife both came from Virginia.

What surnames are you looking for? Bischoff, Bishoff,Bishopp,Bishop,Gross.Grosse, Jack
Where and/or what years are you searching? Terre Haute, In. 1819-1909
Comments:

My great-grandparents were John J. Gross b.5-5-1855 in either Kentucky, Ohio or Pa.d. 9-23-38(He later added an E to the end for mail) and Catherine Bishop b.1-9-1857 or 1858 twin of Sophia Bishop Rauch,wife of Joseph Rauch. John's parents were John J. Gross and Mary Gross, both supposedly born in Germany. Katherine died 1-25-1909 just two months after her youngest son, Peter Clement Grosse died 11-6-1908 of

rabies at age 12. John & Catherine had 8 children, 6 sons and 2 daughters. Catherine's parents were Johann (John)Joseph Bischoff b.10-27-1819 d. 12-19-1869 of a stroke in Terre Haute(his horse brought him home to his truck farm) and Barbara (Berber) Jack b.1821 d. 3-8-1897. She supposedly was born in Germany.

The family were baptized,married and generally buried from St. Benedict's in Terre Haute, however, that parish was only established in 1865. The church records show the German spelling of their name as Bischoff but later it was Americanized to Bishop.

The Bischoff's had the twin girls and two sons, John J. and Henry. John married a Catherine Fox.

I am trying to trace back farther on both sides of the family. I would like to find a record of John J. Bischoff's death in 1869 to see if we can determine where he was born and more info on his parents. Anyone in Terre Haute having any info regarding these families, please E-mail me and thanks for any info.

Last known location of Owen McBride and his wife Cena Elizabeth McBride (went by Elizabeth) and family was on the 1880 Census in Sugar Creek Twp., Vigo County. Lose the two Owen and Cena between the 1880 and 1890 Census. Comments by my grandfather, their son, indicated they died around 1885. Keep walking over plowed ground, in the attempt to find their burial location. We have a gut feeling its near Sandford, or the now defunct communities of Nelson or Vedders, as sons of the two are buried at Pisgah and Bethesda in the same general area. Any help, leads will be greatly welcome down here in Alabama, as its difficult to research at such long distance.
